Man & His Environment

Friday's beautiful weather proved an ideal day for Mrs. Hezetine Foster's ninth grade biology class to tour the mature trail at Appomattox Court House National Historical Park, an area designated (note sign) an Environmental Study Area. Park Supt. Al Rector (far left) explains that the park makes this area available to any class, art, science, biology, etc. studying the interdependence of man with forests, wildlife, soil, water, plants, and air. The trail includes a boggy area, a short stretch of the Appomattox River, a section of hardwood forest plus evidence of man's use of the land, old furrows showing cultivation of many years ago, an old mill site and a 200 year old residence, once a part of Sweeney's Prizery. Park historian Paul Hout (far right) is taking colored slides of the area, which will also be available to study groups as a visual preview of the actual tour. Mrs. Foster is shown (far left) with the class.

Candy Sale Is Tonight

Appomattox County Jaycee president Robert Stewart kicks off the Jaycees annual Halloween Candy Sale tonight with a sale of delicious candy to Mrs. Helen Anderson. The Jaycees again offer over 100 individually wrapped pieces of candy in sturdy poly bag for only $1.00. Proceeds will go toward the continuing community involvement projects of the Appomattox Jaycees.

Ruritans To Canvass Pamplin

The Pamplin Ruritans elected new officers at the October meeting Friday.

Officers elected are: Edward Shorter, President; Ralph Inge, Vice president; Bobby Howard, Secretary; Roy Lacado, Treas.; Director, Ryland Womack; and Alternate Director, Dave Covington.

The club program included a demonstration of Rescue Squad equipment by Members of the Appomattox Volunteer Rescue Squad.

To support the Appomattox Rescue Squad Fund Drive, the Pamplin Ruritans will conduct a special house to house canvass Thursday night, October 23rd.

GS Needs $$$ For Success

A dollar or two is all it takes, if enough people interested in Girl Scouting give to the Girl Scout Fund Drive which begins tomorrow, Oct. 17-27.

Drive chairman is Dr. A. A. Fratrick with Mrs. Lloyd Hudson, treasurer. They do not plan a door-to-door canvass and so are asking people to STOP THEM and give to Girl Scouting. Money from the drive benefits each Scout in the Skylines Council, Money from United Fund allocations and the annual cookie sale make up the difference, but $5,000 is needed to keep Scouting activities going and growing.

Five troops and 107 Scouts benefit from the program in this county alone, isn't that worth at least $1.00 — and a few minutes of your time???

Too Young Or Too Old???

"You're either too young or too old", an old song that definitely DOES NOT apply to blood donors if you're between 18 and 60 years of age. Appomattox needs 149 of you right away.

Tuesday, October 28 at 12 noon the doors open to the Red Cross Bloodmobile at Liberty Baptist Church and there's something in it for everyone. Donate your time, Drive a donor there, yourself. Type cards. Answer the telephone. Give a pint of blood for a friend. Call Mrs. Betsy Carter or Mrs. Lucy Harvey and ask these Bloodmobile chairmen what needs to be done. EVERYBODY in Appomattox can do something to help Appomattox find 164 donors and keep within quota.

Lions Receive Scouting Certificate

At their regular meeting at the Parkway Restaurant, Al Rector at left, Neighborhood Commissioner for Scouting in Appomattox County presented a Certificate to the Club President, Ralph King, second from left, for 15 years of continuous sponsorship, by the Club, of Boy Scout Troop 546, of Appomattox. In the center of the picture is Lion Ivey Holland, the Institutional Representative for the Troop, and next to him Committee Chairman Joe Terry. At the right, Scoutmaster, Robert Netherland receives a Certificate for a 100% subscription to, "Boys Life" by the 23 members of the Troop for the past year. Mr. Netherland was complimented by the Club for the fine work he has done in conjunction with this Citizenship Development Organization during the eight years he has served as Scoutmaster. Much credit also goes to, Mr. Robert Carr (not pictured) for his work as Assistant Scoutmaster for the Troop.

Punt-Pass-Kick Is Big Success

These proud owners of Punt-Pass-Kick trophies are: 8 year old, first place, David Harvey, second, Jerry Mitchell, third, Frank Tanner; 9 year old, first place, Andy Wingfield, second, Danny Scruggs, third, Edward Guill; 10 year old, first place, Tommy Bryant, second, Ronald Harvey, third, Norman Ramsey; 11 year old, first place, Keith Coleman, second, Mitchell Eggleston, third, Al Mosley. 12 year old, first place, Hal Smith, second, Vern Massie, third, Ricky Singleton; and 13 year old, first place, Don Roach, second, Tony Guill, third, Keith Ferguson.

Winners Go To Roanoke

The ninth annual Ford Punt-Pass-Kick contest held Oct. 11, WAS "very successful", so stated local contest director Ronnie Lewis. The competition, which is co-sponsored by Grimes Ford Motor Co. and the Appomattox County Jaycees, provided an exciting afternoon for approximately 60 boys, age 8 thru 13, and a large gallery of interested spectators. The Jaycees enjoyed the event almost as much as did the twenty four first, second, and third place winners pictured here.

The first place winners will journey to Roanoke Saturday, October 18, to compete in Zone Competition and we wish each and every one the very best of luck.

WOW To Meet

The WOW Camp 71 will meet Monday night at W.O.W. Building at 8 p.m. Refreshments will be served.

Recreation Development Study Approved By County Supervisors

Road Budget Is Presented

How is the money spent on secondary roads in Appomattox County? The answers are contained in the annual budget report by C. M. Clarke, resident engineer, presented Friday at the county supervisors' board meeting.

For the year coming (July 1, 1969 to June 30, 1970) total allocation is $489,639.13 including regular funds of $397,769.13 and the addition of $91,870 from Acts of 1966 and 1964.

Total mileage affected in Appomattox county includes 215.93 miles of hard surfaced; 102.14, all-weather; and 98.26 miles of lightly surfaced roads.

The county is responsible for 8.70 miles of roadway within incorporated towns with the balance of 407.63 miles listed

Mrs. Hazel Mann, (left Welfare Dept. head of Appomattox County presented Miss Judy Cox, caseworker, to supervisor O. H. Tolley (right) John C. Cole and Otho W. Martin, Jr. (not shown) at Friday's meeting of the supervisors. Miss Cox, born and educated in West Va., has assumed the caseworker's post left vacant by the retirement of Mrs. William Kendall Hunter.

Caseworker Is Introduced

A welcome, a secondary road budget review, and an approval for a project of perhaps far-reaching importance, were among the many items on the agenda of Appomattox Supervisors meeting Friday morning in the clerk's office.

The welcome was extended to Miss Judy Cox, case worker for Appomattox County who succeeds Mrs. Wm. Kendall Hunter, who has retired. Introducing Miss Cox was Mrs. Hazel Mann, Welfare Department head of the county, who explained that her experience in handling child welfare cases makes her ideal for this capacity here, and that she is being given many cases to process involving children.

Miss Cox is a native of Hinton West Virginia. She was graduated from Concord College, Athens, West Virginia in 1967 and served as caseworker for the Hinton Welfare Department for 14 months before coming here.

Mrs. Mann also explained that Mrs. H. E. Carwile, Jr. (Nancy), has passed the necessary examinations to become a Medicaid Technician for the county, a part of the Medicaid program which will begin Dec. 1.

According to Mrs. Mann, Medicaid pays doctors' bills and medicines for Welfare Recipients under the age of 65 and also gives assistance to those under Medicare programs.

This addition, Mrs. Mann added, will bring the staff up to a total of six, Mrs. Helen McCraw, caseworker; Mrs. Alice Folks, case worker, Miss Judy Cox, case worker, Mrs. Nancy Carwile, Medicaid Technician and Mrs. Cecil Harvey, a part-time typist and clerical worker.

Recreation Study

Appomattox will soon be one of the more than 65 counties of the Commonwealth engaged in studies of outdoor recreation developments, according to R. L. McClenny, Soil Conservationist for Appomattox.

He appeared before the board to ask approval for the printing of a proposed study of the suitability of the resources of Appomattox for outdoor recreation developments.

Eleven kinds of outdoor recreation will be examined, he explained: vacation cabins and homesites, camping grounds, picnic and field sport areas, fishing waters, hunting areas, golf courses, riding stables, shooting preserves, water sports areas, vacation farms, and natural, scenic and historic areas.

Resources of the county are explored in such a study, he said including climate, impounded water streams, potential lakesites, scenery and natural areas, historic areas, soil wildlife, local population, income of local people, age, and occupation, proximity to urban centers, highways and tourist routes, land ownership and land use.

The purpose, he says, is to serve as a guide to encourage further development of kinds of recreation that are economically sound, developments for which the county is well suited.

His written report states, "Historic Appomattox has about 1/4 million visitors last year. What can be developed to keep them here a day or two longer?"

The study will be made by professional agricultural workers in the county along with interested citizens, VPI Extension service and the Soil Conservation Service who will send a recreation specialist to assist with conducting the study. The study is made in a systematic manner by a national standard, he explained. Neighboring counties who have made the study or are in progress include Amherst, Campbell, Pri-

Telephone Improvements Will Be Complete In November

Frank L. Whorley, Manager for First Colony Telephone Company here, says that telephone improvements in Appomattox will be completed by middle November. Both Central Office and Outside Plant facilities have been completely reworked at a cost of around $600,000 to First Colony. Appomattox subscribers will have a maximum of four parties per line, a big improvement over the rural multi-party service which had a capacity of ten subscribers on each line.

Whorley said that in order to convert to the new equipment numerous number changes have been necessary and that intercept service is being provided as soon as possible, giving new numbers to the calling party. Whorley says that "some number changes cannot be intercepted for a short period of time when changes are being made on a party line. One number on a party line cannot be intercepted without intercepting the entire line; therefore we must wait until we can convert the entire line to our new equipment before we can provide any intercept service on the line. In most cases, however, new numbers are made available either the same day or the day after the change has been made."

Whorley said the new telephone directories will go to press immediately after the cut over and will be issued by January 1, 1970.

Rail Executive Will Address Annual Meeting

A railroad executive with extensive Navy experience and the rank of Naval Reserve Commander will be the speaker for the annual Chamber of Commerce meeting Thursday, Oct. 30 at 8 p.m. in the Court House with Chamber of Commerce president Roy A. Moon presiding.

Speaker for the evening is C. A. Gearhart, since 1967 an Industrial Agent for Norfolk and Western Railroad. The director of public relations for N & W, Peyton B. Winfree, has written to the Chamber of Commerce that "Mr. Gearhart is very qualified to bring an interesting message to your associates."

The speaker, a native of Vinton, Va. began service with Norfolk and Western Railway as a stenographer at Crewe, Va. in 1936. He served in the Navy from 1941 to 1945 and again in 1952-1954, this time

Association To Hear Missionary

The 165th session of the Appomattox Baptist Association begins tonight (Thursday) at Reedy Springs Baptist Church with a 7:30 p.m. service and featured address by a former missionary to China, Dr. Eugene Lovell Hill, now secretary Dept. of Missionary Education and Promotion.

Moderator for the Association is the Rev. R. E. McDowell who together with other officers will bring yearly reports.

Dr. Hill, a native of Tennessee, earned a B.A. degree from Southern Baptist Seminary, Louisville, Ky.

He was appointed a missionary to China in 1935 and served as professor of New Testament at Grace Theological Seminary, Canton, China from 1936-1950. From 1946-1949 he served as mission treasurer, Singapore, Malasia.

The two-day meeting continues tomorrow (Friday) with a 9:45 a.m. service at Liberty Baptist Church. Featured speakers will be the Rev. John C. Ivins, assistant to the Executive Secretary of the Va. Baptist General Board; Col. Kenneth Whitescarve, president of York Union Military Academy with the annual sermon brought by the Rev. V. P. Locke.

Bringing reports to the Association Thursday will be W. C. Dudley, the Rev. R. E. McDowell, Miss Elizabeth Singleton, clerk; Mr. W. L. Harris, treasurer; the Rev. V. L. Hudson, the Rev. L. L. Schwemer, Ewart Welch, vice moderator; and Mrs. V. L. Hudson as WMU Superintedent.

Bringing reports Friday morning will be Jesse Harper, the Rev. G. E. Hughes, Dr. Thomas D. Lea, the Rev. M. R. Harley, the Rev. Melvin Winters, the Rev. L. L. Schwemer, and Frank Poole.

Luncheon will be served following the 12 noon adjournment
